

Jr. Mechanic – Carrier Transicold

About YOU

We are excited to be seeking a passionate and full-time, permanent member to join our team. With a high degree of initiative, this individual is a self-starter who demonstrates an unwavering commitment to workplace practices. Your exceptional organizational and time management skills enable you to coordinate and optimize your work efficiently. You are technically inclined and eager to learn the world of transport refrigeration. You are trainable with electrical, mechanical, and operational functions of refrigerated units such as APU's, reefers, and heaters. You are willing to be mentored and supported by our senior-level technicians within the company at multiple locations.

What you will do

- Position is required Monday – Friday, 8:00 AM – 4:30 PM
- Position is required at 986 Wall Street and 1865 Brookside Boulevard (driver's license or means of transportation is a large asset, buses do not run to 1865 Brookside)
- Able to work effectively with a team and individually
- Understand the importance of communication and customer service
- Create an environment that nurtures teamwork, efficiency, and celebrates success

What CTR has to offer

- CTR Apparel
- PPE at CTR's expense
- Extensive Benefits Package (implementation upon hire)
- RRSP matching at 12 months of employment
- Employee discounts for Automotive & Industrial Supply
- Flexible shift options
- Team building events and outings
- Customer appreciation events

A little about us

We are Manitoba's only Carrier Transicold Dealership for the truck and trailer refrigeration industry. We are an award-winning dealership, with 20+ awards in the past decade. Carrier acknowledges our thirst for excellence and supports CTR at a National level.

CTR is a Manitoba born company, team-owned, with 55 years of experience supporting our customers and growing a team that lives our values and that's something we are proud of.

We are a team of talented staff, we foster a culture built on dedication, success, and collaboration, all while prioritizing the needs of our customers and suppliers.

Our foundation is built and strengthened by the hard work and dedication of our amazing staff, who strive towards success together, embodying the values that make CTR.

At CTR we care about the well-being of our employees at home and at work. We offer an extensive benefits package including but not limited to; dental care, disability insurance, and an employee assistance program to ensure you can be your best self. We also understand the importance of a healthy lifestyle, providing extended health care, vision care, and on-site parking.

We reward our employees for their hard work, offering profit sharing, and RRSP matching, and an opportunity to make an impact to our community.

Come join our team where you can build a fulfilling career and be part of a community.

Are you ready to become a part of our story? Send us your resume! Please send to trish.seens@ctrgroup.ca or call 204-471-5771 (cell) for more information.
